

# A Quick Tour through Evryscope data.

## A quote from the movie *Contact* (1996).

“ First rule of government spending:  
Why build one, if you can build  
**two for twice the price?** ”

- S.R. Hadden, *Contact*

There are now *two* Evrscopes!

**EVRYSCOPE-NORTH**  
MLO, California  
2018+ (red + blue)

**EVRYSCOPE-SOUTH**  
CTIO, Chile  
2015+ (blue)
